

North Central Career Centers

The Montachusett Suicide Prevention Taskforce and the North Central Career Centers are partnering on a job fair to coincide with the **5th Annual Ride of Your Life** event - **SUNDAY, AUGUST 20, 2017**

Monty Tech Regional School, 1050 Westminster Street, Fitchburg, MA

9:00AM-3:30PM (Ride of your Life hours)

9:30AM-12:00PM (Job Fair hours)

Rain or Shine!

Experts have long known that there is a link between unemployment and poor health. A job fair connects the unemployed and underemployed with opportunities that can be crucial to a person's health and financial stability. This year's **Ride of Your Life** motorcycle ride will include a job fair, a walk, health & wellness information, vendor booths, a BBQ lunch & live music. There will also be door prizes, auctions, health clinics and information about the Task Force and suicide prevention initiatives.

We encourage your organization to be a part of the **Ride of Your Life** job fair. Please register in advance by contacting Scott Percifull at 978-534-1481, X209 or via email at spercifull@ccncm.com

For more information about becoming a sponsor for **the Ride** please visit www.heywood.org www.suicidepreventiontaskforce.org or call Barbara Nealon, Director of Social Service & Multicultural Services for Heywood Hospital, at 978-630-6386. Event proceeds will support a variety of suicide prevention initiatives.
